B4.2.3 – Chief Judge

Each judging panel has a chief judge. It is his/her duty to make sure that judging goes efficiently and that results are determined. A group of judges that can work as chief judges each year is proposed by the FEIF breeding judge committee and approved by the FEIF Director of breeding, preferably not later than the 1st of December, the preceding year. The group of chief judges is limited to a group of 12 judges every year and the selection of judges in the group is based on experience, i.e. the number of years as an active breeding judge, the total number of assessed horses for the previous four-year period and participation at seminars for breeding judges.

Specific tasks of the Chief Judge are as follows:

- a. To ensure the current FEIF rules are followed correctly.
- b. To lead the judges' briefing before and after the show.
- c. To ensure communications between the judges and show leader work.
- d. To approve the tracks and other facilities together with the show leader.
- e. To decide together with the show leader on which part of the track the horses shall be shown.
- f. To undertake the duties of the show leader, where no show leader has been elected.
- g. To submit a report of the breeding show to the FEIF Director of Breeding.
